## Xtra Club - After School Care

At Alameda, we run an after school club every day of the school week. Our after school club staff are a dedicated, experienced team, whose aim is to provide quality after school care by making sure the children enjoy themselves with their friends in a safe and secure environment.

Whether you need child care on a regular basis or just a couple of hours on the odd occasion the Xtra Club will provide you with exactly that flexibility. At each session our fully trained staff will have a variety of activities for the children to take part in, including arts and crafts, games, Xbox and Wii games and outdoor activities such as tennis and basketball. All sessions include unlimited squash and a healthy snack of fruit or yoghurt. A light hot tea (e.g. pasta, pizza, beans on toast etc.) is also available at an additional cost of £1.30.

### Request for child care

If you are interested in using the club, even on the odd occasion please complete the form below to register your child. If you already know what sessions you require please complete the table with your request and Mrs Lonie, our Xtra Club manager, will contact you in July to confirm your place. (Please note if there are too many requests to accommodate pupils at any one time, the parents requesting regular attendance at the club will be given booking priority).
