December 2025

Dear Parent/ Carer

I am writing to inform you that, after careful consideration, our catering provider has decided to increase their current prices by 7.5% overall, effective from 1st January 2026. Despite food inflation continuing to be higher than expected, the catering company has held prices for the school over the past 12 months. However, ongoing cost pressures, combined with the current economic climate, mean that this is no longer sustainable. From January 2026, the cost of a meal deal will be £2.70, which is broadly in line with prices charged by other local schools.

Updated menus and pricing will be published on the school's website in due course.

Thank you for your understanding and continued support.

Yours sincerely,

Diana Fickling
