Year 7 Design & Technology Trip to Silverstone Interactive Museum

Dear Parent/Carer,

As part of our ongoing commitment to provide engaging and practical learning experiences, we are thrilled to offer Year 7 students the chance to visit the Silverstone Interactive Museum this year.

During the visit, students will:

- Participate in hands-on tasks in a dedicated studio overlooking the iconic Silverstone circuit. These activities delve into the science and technology of motorsport, exploring materials, design, and engineering while providing insights into potential future careers.
- Enjoy access to the museum's interactive exhibition, which chronicles the history of Silverstone and motorsport. This includes displays on medical support, safety innovations, mechanical engineering, and cutting-edge racing technology.
- Experience the thrill of getting up close to authentic race vehicles, driver uniforms, and other fascinating memorabilia.
- Walk on a section of the original Silverstone circuit, connecting them to the rich history of British motorsport.

This trip proved very popular last year, with positive feedback from both staff and students. We believe this unique opportunity will leave a lasting impression and inspire students to think more broadly about their studies and future possibilities.

The visits will take place over three days and pupils will go in their Design & Technology groups. The three dates are:

- Wednesday 20th May– 7L & 7M
- Thursday 21st May– 7N & 7R
- Friday 22nd May – 7C & 7A

The cost of the trip will be £20 which covers the entrance fee for the Silverstone Museum, an educational STEM workshop and the coach transport. Final details including timings will be confirmed closer to the trip dates.

Please complete the consent form on Scopay, which you will find within Trips & Events and make payment by **Friday 27th March**. If this consent form isn't completed, then we will assume that you do not wish your child to attend.

If as a family you are eligible for Pupil Premium, the school may be able to provide financial support with educational trips and visits. Please contact the finance office for further information and assistance finance@alamedamiddleschool.org.uk.

Yours sincerely,

Mr Brown
