Science Show 11th March

Dear Parents and Carers,

To celebrate Science Week (6th – 15th March), we have been fortunate enough to be able to book a science show to come in to school for our Key Stage 2 pupils on Wednesday 11th March.

There will be a 45-minute show running for our Year 5 pupils and then another 45-minute show running for our Year 6 pupils.

'This Brand New, Exciting & Educational show will amaze & astound all ages from 4 years & upwards, as we put the "Exciting" back into "Science".

With Fun & Fact filled experiments, watch in amazement as we recreate a volcanic eruption; turn a vacuum cleaner into a missile launcher or take aim at you with our smoke blaster!'

This is being offered as a free opportunity for our Key Stage 2 pupils, but if you wish for your child not to participate, **please email me by Monday 9th March** and I can make other arrangements.

Yours sincerely

Miss S Smith
