19th October 2026

Dear Parents/carers,

As the evenings draw in and the smell of autumn fills the air, it can only mean one thing — pumpkin season is upon us! We saw some fantastically creative and spooky pumpkins last year, so we are re-running the Pumpkin Carving House Competition.

This is a fantastic opportunity for pupils to get into the spooky spirit, show off their artistic flair, and earn some all-important achievement points in the process. Whether it's spooky, silly, or spectacularly creative, we can't wait to see what they come up with!

Important information:

- Everyone who enters will receive an achievement point!
- There is a separate competition for each year group.
- The top 3 in each year group will receive extra achievement points and a prize.
- The deadline to enter is **Friday 6th November**.

To enter, use the QR code or URL below to fill in your information and upload a photo of your spooky creation.

We'd love to see as many pumpkins as possible lighting up our competition — so grab your carving tools, get those creative juices flowing, and join in the fun. If you have any questions about it, speak to Mr O'Neill.

Kind regards,

Mr O'Neill
