

Edulink One

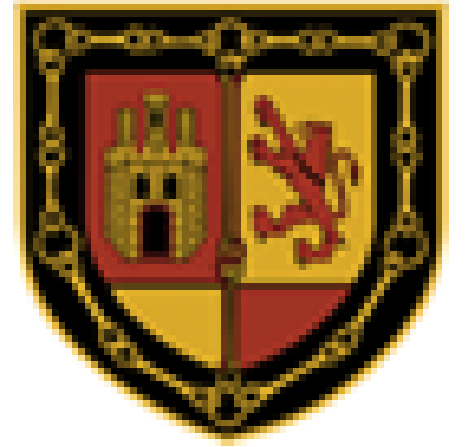

As you know, your parents/carers already have access to this and can see what homework you have been set, but cannot say it has been completed.

We now want you to access your homework as you can then tick to say it is 'done'

EduLink One

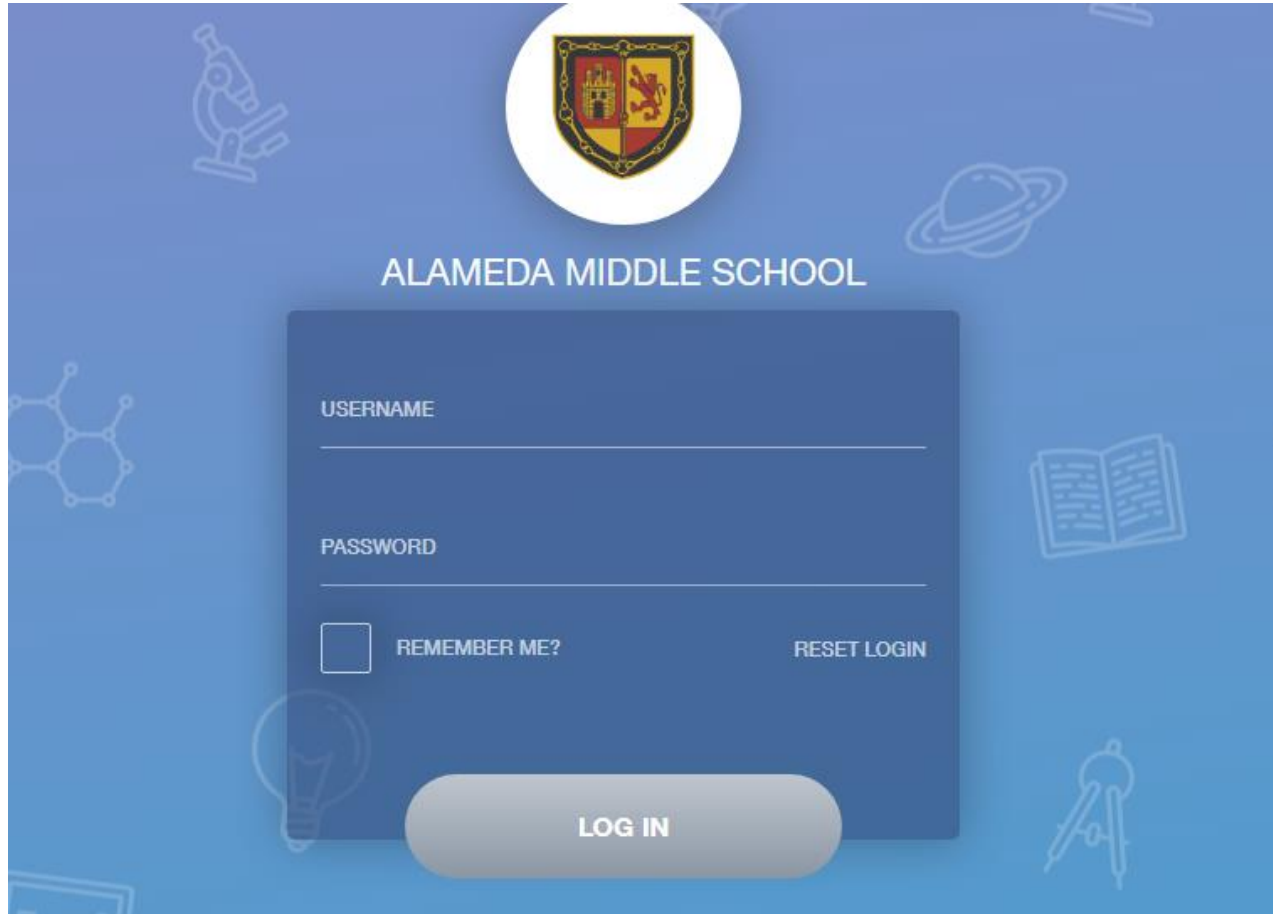

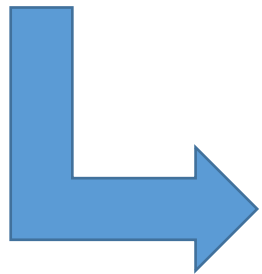

Type in **EduLink One** in your search bar.

A blue screen appears asking for the
school ID

Type in **alameda** and click the bottom
bar

Search Edulink One then click and type
'Alameda' as the school ID

This
screen
appears

Login the **same way**
as you login to a
computer in school,
with the **same**
username and
password you can
save this so you
don not have to
keep typing it
each time.

When you **login**, this appears.
Click on '**HOMEWORK**' icon.

Any current homework set appears on the screen. Click on the one you wish to open.

The screenshot shows a table of homework assignments. At the top left is a blue button labeled 'ADD HOMEWORK'. At the top right are tabs for 'CURRENT' and 'PAST'. The table has six columns: 'Due Date', 'Name', 'Subject & Class', 'Available', 'Submission', and 'Completed'. There are two rows of data. The first row is highlighted in light blue. A blue arrow points from the text above to the first row of the table.

Due Date	Name	Subject & Class	Available	Submission	Completed
In 3 days 19/03/20	Percentages	Mathematics	13/03/20 15:59 3 days ago	Not submitted	✗
In 4 days 20/03/20	How much fertiliser?	Science	12/03/20 09:37 4 days ago	Not submitted	✗

If you When you have completed your homework, click 'Done' and a **tick will appear** next to the homework on the homework set page.

HOMEWORK DETAIL

Percentages

19-03-2020

515

Set by: D. Leonard

Submission type: Not submitted

Description:
Complete the MathsWatch relating to percentages. These are not as challenging as those we have been working on in class, so aim for a high percentage of correct answers!

Done

Summary – write the key points in your planner

- School ID – type **Alameda**
- **Username** – same as you use in school ie 19CSmith
- **Password** – same as you use to log onto the school computers
- You can click '**save**', so you do not have to type this each time
- Click on the '**HOMEWORK**' icon 
- Any current homework you have will appear
- Click on the homework you wish to do and it opens
- Click '**Done**' when completed - a tick appears next to the homework set
