Raindrops

As
the
night got
colder and the
rain got heavier I
rushed home only
hearing pitter patter
walking faster and faster I
finally got home only hearing
big BANGS Finally the thunder
stopped but then there's a FLASH as
I sit here quietly only hearing a slow but
furious splish splash as last the rain has
stopped whilst I look at my window to see
raindrops splatted on the glass I opened
the window to let some air in only
being able to smell the wet fresh
grass

Markles

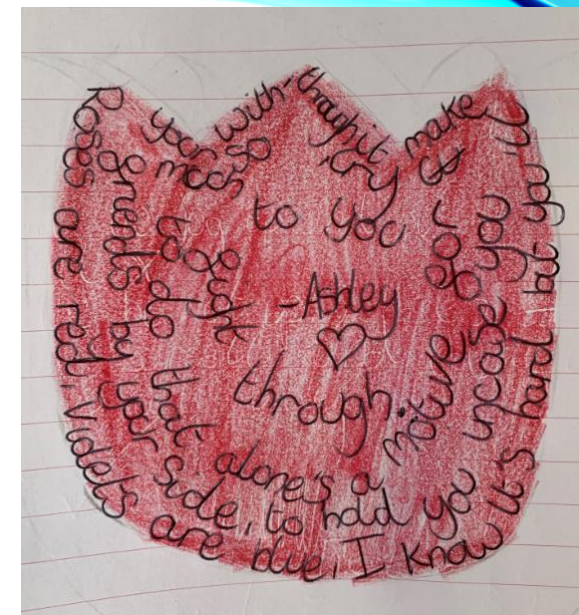

The shiny, curved glass
 reflecting through its course,
 of abstract, knots and near
 The shiny, curved glass,
 reflecting the gaze of many
 So mesmerizing as it bends out of sight
 The shiny, curved glass,
 As waiting to be picked up,
 As it nears the end of its journey
 Ready to start
 again.

Turbo

Fast is fun and I want to be as fast as the speed of light. Some day I will be as that powerful race car, Ready set go! I will be the hero, I am not the zero but a powerful hero. INDESTRUCTIBLE
 I am proud and loud. I am not the zero but a powerful hero. INDESTRUCTIBLE
 I am proud and loud. I am not the zero but a powerful hero. INDESTRUCTIBLE

Skateboard

I ride around like
 a boat on a river
 doing flips
 and tricks
 like a parakeet.

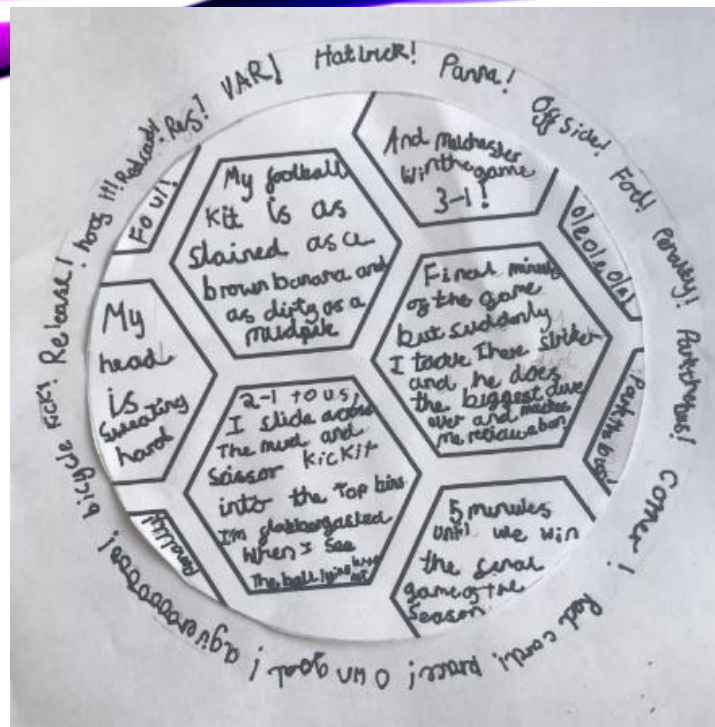

On I go down a
 hill looking
 out for the
 rock in the
 ground hidden
 like a mole.

MONOPOLY

Monopoly,
the original, makes
your heart race faster
than the roaring car round the
board. Blowing into your hands
and wishing for a
lucky 6. Eels and
squeals from the other
players when they land
on go to jail. No passing
go, no getting dough! Try
hard as you can, not to
pay rent. Land on
Mayfair at your
peril.... BANKRUPT!

The daisies in
the breeze, the roses climbing
the wall, hear the cat rolling on
the floor, hold the cat purring while I
sleep, the fluffy fur on a cat's body, the
family hugs when someone is upset, my
sister singing like an angel in her room,
the vibrant, magic green leaves poking out
of the trees in the summer, the mystic train
tracks on the window, dancing with my friends
on a happy day, playing Netball with
my team on a Saturday and Sunday, eating
ice cream in the summer, playing
chameleon in the summer, playing
when my brother and I are here, bubbles
and bath bombs in the summer, drawing
whatever I can think of, these
amazing things always make
me smile. (even when
I'm grumpy)
