Write an additional stanza for the poem.

Ideas	Word Bank		Phrases You Could Use
A whale swimming next to the boat and spraying him with water.	sail	row	Paddling by, paddling by, underneath the blue, blue sky...
A friendly dolphin jumping out of the water.	mast	plank	Then I see a friendly whale, blowing water as I sail...
The sun setting with beautiful gold and pink colours.	waves	deep	Don't know where we're going to, I don't know, nor do you...
A deserted island.	billow	marine	Side to side, side to side, over the waves, big and wide...
Seeing a mermaid.	shimmer	current	Golden rays of setting sun, now to bed, end of fun...
