

How to Log on to Google Classroom from Home

Step 1: Sign into your Google account by typing in www.google.com into your web browser and clicking the blue 'sign in' button in the upper right corner of the screen.

Login each pupil has been given their login

Password each pupil has been given their password, which they will then change...

As soon as you login you will need to change your password, see details below.

*If you are having trouble logging in from home, make sure all other Google accounts are signed out before you login in. If they are not, you will not be able to log in.

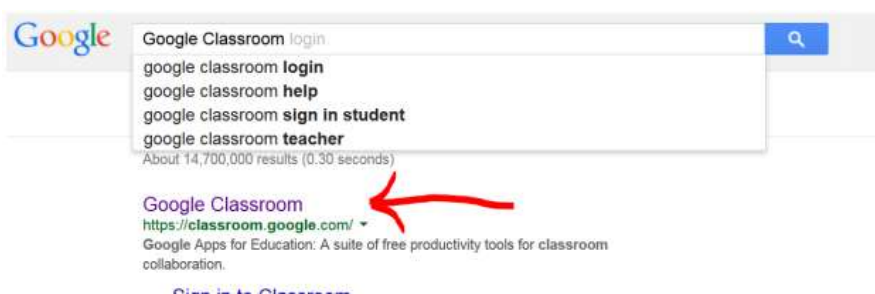

Upon the initial login you will be presented with the standard Google terms followed by changing the password for the account.

To meet the strength requirements for the password requires UPPERCASE, lowercase, numbers and be at least eight characters long (e.g. Turtle43).

*Please write down your login details for future reference.

Step 2: Go to the Google classroom by typing "Google classroom" into the search box and clicking on the link that says, "Google Classroom".

Upon entering Google Classroom, it will ask you if you are a student or a teacher, **click 'student'**.

You are presented with all the classrooms on your timetable.

To enter a classroom, click the title of the class.

The classwork is available in the Classwork section of the class.

To enter the section, click the "Classwork" button at the top of the page. Choose what you want to open by clicking on the text, and when completed, click 'done' so you can see what work is still outstanding.
