Inspire ■ **Achieve** ■ **Excel**

September 2021

Dear Parent/Carer of year 5 and new pupils to Alameda,

Re:- Edulink One

In order to support your child(ren) and communication between us at school and you at home, we use "Edulink One".

Some of you may already have children who attend Alameda and as such, already have login access to the system. **you do not have to change or do anything to access information about your child.** You will be able to see details of each of your children by clicking on their image.

For those new to the system, I would like to introduce "Edulink One" to you. It is available for all parents and carers of students at Alameda Middle School. Edulink One provides you with access to important information relating to your child(ren). For example, when you log in to Edulink One you will be able to see your child(ren)'s:

- Timetable information
- Attendance data
- Behaviour and achievement
- Homework monitoring
- Parents evening bookings

You will receive a separate email with login details from

edulinkhelp@alamedamiddleschool.org.uk

If you do not receive an email in the next few working days, please check your spam box as the number of links can cause this to happen. If you have any difficulties logging in, or queries about this service, please contact our help desk at the above email address and we will endeavour to resolve the situation.

In order to access the information you will need your personal login details. Please note that we are providing this letter and login details to those currently indicated as having parental responsibility, or are recorded as primary carers. These are individual details, this means that you do not need to share your login information with anyone else.

Finally, to help you have some idea of the features of this program we have written a short user guide "Edulink Guide September 2019" to explain some of it to you. This is available on the school website in the 'Parent Info' section, or directly:

[Edulink Parent Carer Guide October 2019](#)

Yours sincerely,

Julie Barrows
Deputy Headteacher
Alameda Middle School
